

Legislative Advocacy Day

January 27, 2015

Please join the Healthcare for All Virginians Coalition in Richmond to urge our lawmakers to close the coverage gap in Virginia. Strong opposition continues in the General Assembly and HAV coalition's advocacy is critical again this year.

It is important that you come to discuss this important issue with your local legislators. Some lawmakers have adopted a "Just say No" mentality – with your help we hope to get them to "YES!"

When you register, you will receive additional information to help you get ready for this day and to use in your discussions with lawmakers.

Please register [here](#) or [RSVP](#) to Rebecca Park by January 20, 2016. This will help us ensure there's enough food for lunch.

Please don't hesitate to contact Rebecca Park at (804) 396-2051 x108 with any questions.

We look forward to seeing you there!
