

Subject Line: Request to Meet with Rep. Lase Name or Senator Lase Name

Dear Representative [Last Name] / Dear Senator [Last Name],

I am writing to request the opportunity to meet with you while you are back in [state/district] during the August congressional recess. I am a constituent and a member of the Huntington's Disease Society of America (HDSA), the nation's leading nonprofit organization dedicated to improving the lives of people affected by Huntington's disease (HD) and their families.

Huntington's disease is a rare, fatal, inherited neurodegenerative disease that affects movement, cognition, and mental health. Every child of a parent with HD has a 50% chance of inheriting the disease. Currently, there are no approved treatments that can slow or stop its progression.

HDSA is committed to advancing research toward effective treatments and a cure, providing support and resources to individuals and families living with HD, and educating healthcare professionals, policymakers, and the public about the disease.

During our meeting, I would welcome the opportunity to share how Huntington's disease affects individuals and families in our community and discuss federal legislation currently before Congress that would improve the lives of people living with HD.

Thank you for considering my request. I look forward to hearing from your office and hope we can schedule a meeting at a time that is convenient for you during the August recess.

Sincerely,

[Your Name]
