The NCOA Career Expo Program is looking for volunteers and other assistance for the Job Fairs! These events are hosted nationwide for Veterans, transitioning service members, Guard and Reserve members, and military spouses. We are almost to the half-way point for the 2016 schedule, and we are asking for you to be a part of the team to help finish the year with strong Job Fairs.

What can the members of NCOA do to help?

1. **Volunteer at a Job Fair**
   It’s always great to have NCOA members be a part of the Job Fairs! We invite Chapters and individuals to join us at the events as part of a team that helps Veterans who are seeking employment. Just a few hours of your time, 0800 to 1230, can make a big difference.

   View the remaining events for 2016 [click here].

2. **Spread the Word**
   The success of the Job Fairs depends on having great employers and a large job seeker turn out. Sharing the upcoming events will help them be bigger and better – please post them on your social media (Facebook, LinkedIn, Twitter, Instagram), talk about the job fairs with members of other organizations, post the flyer, write your Congressman, yell from the rooftops! Please be sure to mention this outstanding opportunity to recruit Veterans to companies of all sizes and refer them to Shelley Conklin at 210-837-5200 or sconklin@ncoausa.org.

   To print or share the Job Fair flyers, please visit the NCOA Career Expos website **Military Job Fairs tab** and then click on (More Info) for each event.

   Follow NCOA Career Expos on Social Media!  

3. **Give Us Your Feedback**
   We are always happy to entertain new ideas for getting the word out about the Job Fairs, new locations, and venues, and we can improve the service provided to the job seekers. Shelley Conklin at 210-837-5200 or sconklin@ncoausa.org

Thank you for your support of the Career Expo Program and for providing Strength in Unity to this very important part of NCOA!
