

### Speaker John Boehner Talking Points:

- I'm calling to ask Speaker John Boehner to bring the *Achieving a Better Life Experience (ABLE) Act (H.R. 647/S. 313)* for a vote as soon as possible in this session.
- **As Speaker, we need his leadership to bring the MOST BIPARTISAN BILL up for a vote - the ABLE Act has 85% of the ENTIRE CONGRESS COSPONSORING IT** - with 74 Senators and 381 Representatives cosponsoring.
- The House Ways and Means Committee already unanimously voted the ABLE Act out of committee.
- The Senate Finance Committee held a hearing on the bill and, in September, issued a press release outlining their intention to bring the ABLE Act to a vote once Congress returns from recess and after the election.
- The ABLE Act will make a life-changing difference in the lives of the disability community and long overdue- please, as the Speaker, bring the ABLE Act to a VOTE.
